

## **Respect & Consent: Online and In Person**

Name: \_\_\_\_\_

We are going to have some class discussions about the ideas about respect and consent. We might already have an idea of what these concepts mean, so let's dig a little deeper.

*Treat each other the way you would want them to treat you.*

*To understand someone, walk a mile in their shoes.*

Let's get more specific now and think about **respect online**:

## Online Respect/Consent Scenarios:

Using your own ideas and our class discussion, write down your thoughts about each scenario. There are some questions for each one on the scenario page that you can use as guides.
